

# Easter Baskets

— cut to make flaps

6 and 22

The Easter Basket is made out of a painting paper size: 38 X 28. cm

- water color painting with spring colors (yellow + green)
- out of long side of painting (38 cm) we cut handle (width is 4 cm)
- From remaining rectangle we take out a 10 cm rectangle  $\equiv$  This part can be used for a card.
- From remaining little rectangle we draw 4 lines 6 cm in width from 4 sides
- Mark in red where children will cut (4 in total)

For the rest of lines, help <sup>your child</sup> give a fold with a ruler to make little box.

\*skip this part

- In one of short sides in between the cut lines write name of child on painted side so it can be seen once assembled.

- staple with handle on.
- Add ~~paper~~ / rabbit / ~~egg~~ / carrot.
