

Oats and beans and barley grow

Oats and beans and barley grow,
Oats and beans and barley grow,
Can you or I or anyone know
How oats and beans and barley grow?

First the farmer sows his seed,
Then he stands and takes his ease,
Stamps his feet and claps his hands,
And turns around to view his lands.
Chorus: Oats and beans and barley grow.

Next the farmer waters the seed,
Then he stands and takes his ease,
Stamps his feet and claps his hands,
And turns around to view his lands.
Chorus:

Next the farmer hoes the weeds,
Then he stands and takes his ease,
Stamps his feet and claps his hands,
And turns around to view his lands.
Chorus:

Last the farmer harvests his seed,
Then he stands and takes his ease,
Stamps his feet and claps his hands,
And turns around to view his lands.
